SJS

Established in 1948, **SJS Industries** is a pioneer in plywood manufacturing and the supply of premium wood-based and decorative surface solutions. With decades of experience in the industry, we have built our reputation on quality, reliability, craftsmanship, and customer trust. Our comprehensive product range includes Plywood, Veneers, Laminates, MDF Boards, Door Skins, and Decorative Surfaces.

Serving the evolving needs of architects, interior designers, furniture manufacturers, builders, contractors, and homeowners.Combining our rich heritage with modern design and industry innovation, Legnora Industries delivers products that offer durability, functionality, and aesthetic appeal. Today, we continue to build on our legacy by providing dependable wood and surface solutions that bring quality and character to every space.

Five Elite Hardwoods.

One Trusted Source.

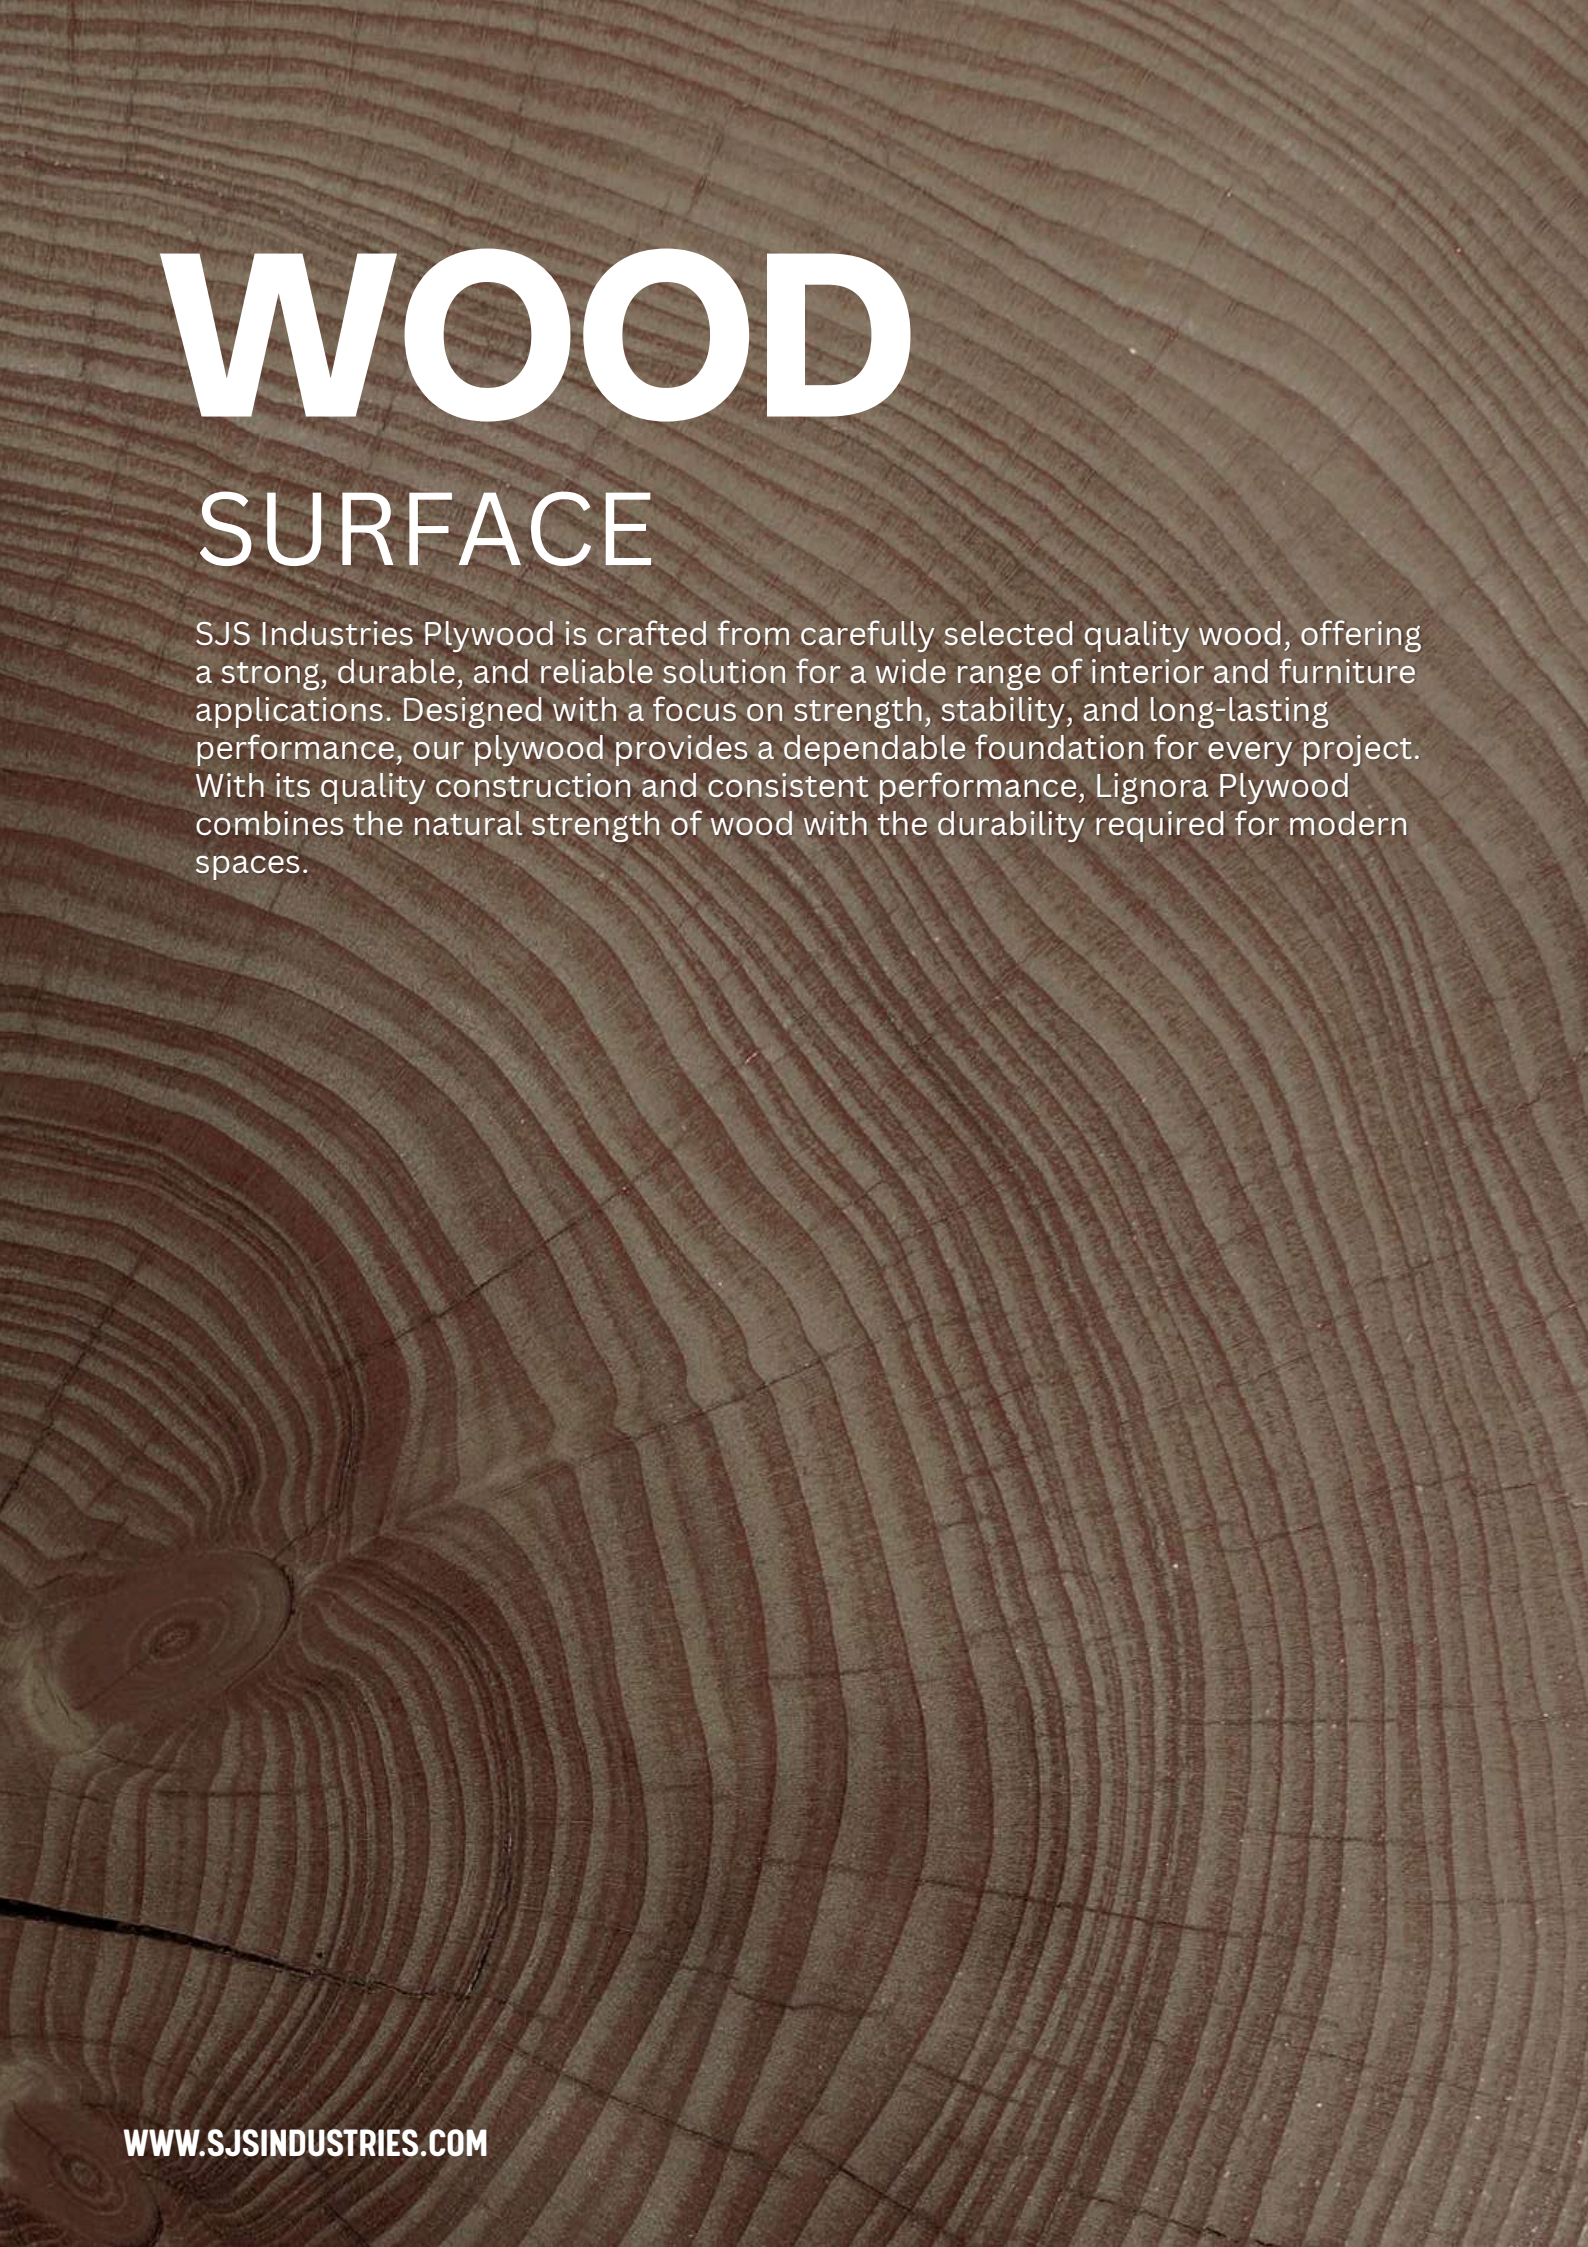

Our **Certifications**

We take utmost care in the manufacturing and delivery of our products while adhering to the highest quality and industry standards

ISO Certification
Our commitment to quality is reflected in our ISO 9001:2015 certification. We follow consistent quality management practices to ensure reliable, durable, and high-standard products while continuously improving our processes to meet customer expectations.

Qualicoat Certification
We are committed to maintaining high standards of occupational health and safety. Our systematic approach promotes a safe working environment, reduces workplace risks, and supports the well-being of our employees while continuously improving our safety practices.

ASME B31.1/B31.3 Conformity
Our products comply with applicable Indian quality and safety standards, ensuring consistent performance, reliability, and quality. We are committed to maintaining stringent standards throughout our manufacturing and quality-control processes.

WOOD

SURFACE

SJS Industries Plywood is crafted from carefully selected quality wood, offering a strong, durable, and reliable solution for a wide range of interior and furniture applications. Designed with a focus on strength, stability, and long-lasting performance, our plywood provides a dependable foundation for every project. With its quality construction and consistent performance, Lignora Plywood combines the natural strength of wood with the durability required for modern spaces.

Our **Management**

Plywood

SJS plywood is crafted from carefully selected quality timber and manufactured to deliver strength, durability, and long-lasting performance. Designed for a wide range of applications, it offers excellent stability, smooth finishing, and dependable quality for both residential and commercial interiors.
